About A4e:

A4e is a successful international business and market leader in global public service reform. Since 1991 A4e has touched the lives of over one million people providing consultation and advice to people and organisations.

It works with government and the private and third sectors to design, develop and deliver social inclusion programmes that benefit individuals, organisations and communities.

A4e excels at bringing new programmes and pilots into new markets delivering services that have a positive impact on the disadvantaged and marginalised

It plays a key role in exporting its expertise internationally and importing learning's of best practice to inform policy makers.

The company operates from over 200 locations across the UK, Israel, France, Poland, Germany, Australia and South Africa and is one of the UK's premier organisations in the delivery of social change services on behalf of Government.

A4e turned over £129m in 2007/ 08

A4e provides products and services in 7 key areas:

- Welfare to Work
